

Our Class Traveling Book

Dear Family,

This is one of our "Traveling Books." We worked together to create this book. It is important that children see themselves as authors. They enjoy reading what they have helped write.

Please have your child read this book with you. Then take a moment to share a comment on the "Kind Compliments" page at the end of this book.

Please return this book in a day or two so it can travel to another child's home. We hope you enjoy our book.

Happy Reading!
