

Dear Family,

_____ has been chosen to be our class "Personality of the Week" for the week of _____. I will need your help to make this week extra special for him/her.

Please help your child choose 5-10 photographs to share with the class (baby pictures, family pictures, vacations, pets, etc.)

Would you also please take a few minutes to write a special note to your child on the enclosed stationery? You may want to include his/her special qualities or strengths. This is just an opportunity to let your child know how important s/he is and how much you love him/her. Other family members may include messages on this stationery, too. This letter will be read aloud to your child during his/her special week.

Please send the pictures and letter to school by this Friday.

This activity will help us celebrate your child and let him/her know how special we think s/he is.

Thank you,
