1. Come to Reading Workshop prepared. Have your book and reading folder and be ready to read.
2. You must read a book or write in your response log the entire time.
3. Record every book you read in your reading folder.
4. You may sit or recline wherever you wish as long as feet don't go up on the furniture and you do not distract anyone.
5. Do not disturb your teacher when she is conferencing with another student.
6. When you borrow a book from the classroom library, remember to take the card out of the book and put it in your sign-out pocket.
7. Take care of all books.
